

## THE SEASON OF FLOWERS

Full of vibrance and beauty, the season of the flower has arrived and with it, many marvellous occasions to embrace the botanical splendour. In spirit of this season we have introduced a collection of cocktails that celebrate the essence of various captivating and colourful flowers, all presented with their own beautiful miniature bouquet.

### Gem Marigold

An exquisite balance of Gin, Campari, freshly squeezed pomegranate and delicate pineapple foam. The Gem Marigold's delicately citrus flavour and velvety smooth notes evoke a real sense of the Marigold with a sharp yet fruit aftertaste.

### Viola Mule

A floral twist on the classic Moscow Mule. Vodka infused Blue Pea flower creates a botanical aroma complementing the zesty base and highlighting the spicy ginger finish.

### Dianthus

Dark rum balanced with rosebud tea and peach creating a reflection of the Dianthus. A subtle yet fruity alternative. Light floral end.
